DESCRIPTION OF THE WORK DONE IN BRIEF

Day 1(20/02/2023) Monday:

During the first day of fifth week, I worked on make No mission page of our project if we search any mission and system can't find any related mission then No mission page should show.

Day 2(21/02/2023) Tuesday:

During the second day of the fifth week, I worked on developing volunteering mission page implemented from video session of chapter-4 N tier architecture and design partial view for related mission and rating. When any user applied for specific mission and then related mission is shown below.

Day 3(22/02/2023) Wednesday:

During the third day of the fifth week, a doubt session was conduct by Dipak Patel who is expert in .net mvc core. And after that I added functionality in volunteering mission page like "add to favourite this mission" and "invite users" (user either existing or new user) who have skills for apply this mission.

Day 4(23/02/2023) Thursday:

During the fourth day of the fifth week of my internship, I added tab part using html, css, javascript and bootstrap for volunteering page mission brief details, who organize this mission and add comment or read comment.

Day 5(24/02/2023) Friday:

On the fifth day of the fifth week, I was make volunteering story listing page if any user have done any mission and wants to add story in the platform. So all story is shown in this story listing page and also in story listing page other user can see story and if wants to apply to that mission so he/she also can apply.
